Hello Ellen, Melissa & Councillor Wong-Tam

It's Dave from Remington's Men of Steel reaching out to you again this year for a request from Councillor Wong-Tam to support our application to extend the liquor service hours to 4:00 am for TIFF with the city of Toronto counsel's approval (no objection). I am making the request a little earlier than usual this year so we have a quicker response from the AGCO as I will be away for hopefully my last surgery on June 28 (postponed from May 26th) for 3-4 weeks recovery (surgery #9 in 3 1/2 years). I have attached to this email all of the required documents I believe you will need to process our application.

Dates are as follows for the Thursday to Sunday on both weekends to 4:00 am.
Sept 7-10th, 2017
Sept 14-17th, 2017

The main event is the 13th annual Pink List party on Sept 10th. The secondary event, Gay Living Magazine Presents - The Director's Cut is on Sept 14th.

This will be our 4th year, if approved, that we have had the extension to 4:00 am to better serve the community and film industry as outlined in the package.

Since 2014 the counselor supported our application and received city councils approval for the 8 days of TIFF we requested in which we submitted to the AGCO for approval to which the AGCO granted us the request.

I remember she had only one question was with regards to licensed areas. This is indoor only in our current licensed areas. No outdoor activity.

Thank you

Re: attachment of page 2 of the application for liquor sales license extension of hours by license holder

Event details:

I am Dave Auger the general manager of Remington's Men of Steel at 379 Yonge St. As you may be aware we have been a staple in the LGBT community since 1993 and have within the past 8 years expanded to encompass non-LGBT's as well. I am writing you to request your support four our application to extend the liquor service hours for 8 days of TIFF (Toronto International Film Festival). The 8 dates requested are September 7th, 8th, 9th, **10th** (main event called **The PINK List**) and September 14th (secondary event called **Gay Living Magazine Presents – The Director's Cut**), 15th, 16th and 17th of 2017.

This will be the 13th anniversary of the special event we host here annually for TIFF elite invitees. The main event is always held on the first Sunday of the TIFF festival which this year falls on September 10th. Our event is not part of the official TIFF organization but the attendees are vast from every movie, television and film studios, VIP's, executives, producers, directors, writers, celebrities, actors, news media such as CNN, tastemakers and many more (a partial list of last year's attendees is attached). Studios such as Lionsgate, Sony, DreamWorks, Warner Brothers, Weinstein and more will be in attendance. Our secondary event this year is new and produced by Alex Roberts of Gay Living Magazine. Please see the attached letter from Alex for the description of the event.

Chad Hudson of http://www.chadhudsonevents.com will be hosting this year's main event again. He is from Hollywood California and very well connected within the entire film and entertainment industry and beyond (see attached letter from Chad). The clientele that Chad brings to our venue for our Remington's - TIFF events often are unable to attend or can so for only a short time due to the 2:00 am standard liquor service hours ending while other venues are granted the extension to 4:00 am. These attendees can only attend our venue after the screenings of the films and related events end which are often after 1:00-2:00 am. We are asking to be granted authorization for the extension of liquor service hours to 4:00 am to accommodate this elite clientele taking into consideration that Remington's Men of Steel is the only licensed adult male entertainment night club in the city of Toronto.

Remington's Men of Steel is in good standings with the city of Toronto, AGCO and Canada Revenue Service with no infractions, fines or outstanding monies (taxes) owing. Our AGCO licensee # is 90108.

Remington's Men of Steel has been previously granted the liquor sales license extension of hours to 4:00 am for TIFF since 2014 and has again been awarded for the 4th year in a row the Ontario Best Bar None Accreditation award for outstanding practices & operating standards in the sales and service of alcohol in the entertainment industry. Also in it's inaugural year Remington's won Best Adult Entertainment Nightclub from The Queer Choice Awards.

To Whom It May Concern:

I am writing in regards to the application for the extension of liquor sales to 4:00am at Remington's Men of Steel during the eight requested days of the Toronto International Film Festival (TIFF).

Chad Hudson Events – a nationwide (US & Canada), full service event production, design, management, special projects and lifestyles services company – will be hosting events on every night of the extension request.

I'm very excited to be involved again this year, our 13th annual, with Remington's Men of Steel because TIFF is such an excellent forum for local arts professionals to network with out of town filmmakers, actors, and people involved in the industry. Having an extended liquor sales license would be an excellent way to give people an even better chance to make great professional connections all while having fun with the talented staff at Remington's.

I am very well connected within the industry and my company hosts events for everyone from major film studios to fashion houses to Fortune 500 corporations. It's something I truly enjoy and am looking forward to meeting new faces and re-connecting with familiar ones during the 41st anniversary of TIFF festival.

My sincere thanks,
Chad Hudson

Dear Dave;

Thank you for the invitation to attend your 'Pink List' party on September 10th. We look forward to it each year and we're sure this year's event will be another great night at TIFF.

The extension of your opening hours for liquor service to 4:00 am for the last few years events was well received by our clients, we appreciated being able to attend TIFF and have an extended time to network after the films premieres. It would be a benefit if your hours could be extended again for both weekends of the festival.

We look forward to seeing you soon at TIFF.

Best regards,

To whom it may concern,

I'm writing in the matter of a Toronto International Film Festival Kick Off event, Thursday, September 7th event at Remington's Men of Steel.

I am the Promoter and DJ of the event, as well as arts editor of Canada's national LGBT website Dailyxtra.com plus Blogto.com.

Not only am I excited about the event because of my musical and promotional evolvement, but because of the impact on the community. TIFF is an exciting time in Toronto, and throwing a kick-off party like this, so close to Toronto's gay village, is a statement. We expect anywhere from 300-400 attendees, many of them festival goers, but many of them locals, who want to help celebrate the city and its vibrant community. Toronto's LGBT population successfully showcased its best and brightest during the PrideHouse Toronto events on Church St, this kick-off party at Remington's will strive to shine a positive, inclusive and upbeat light on a community that's already deeply involved in the festival. Networking between the Toronto arts community members and TIFF film industry folk would be heightened with a 4:00 am last call extension.

As arts editor, this is an event we will be covering on dailyxtra.com and blogto.com, it's a unique night our readership should know about. As a DJ and promoter in the city, it's an event I'm very excited to be working on during TIFF because of the location (Remington's is a legendary & historic establishment in our city) and the type of party it is. I've worked closely with members of TIFF, Pride Toronto, PrideHouse as well as many local arts festival organizations to help throw parties in the city. I'm very much looking forward to this one.

Sincerely,

Phil Villeneuve
