#### **Business Travel**

Laura Purdy attended the Trade Show Executive Global Direct conference in Las Vegas on July 12<sup>th</sup> to July 14<sup>th</sup>. Global Direct is a unique hosted buyer event where exhibition venues experience 2 days of in-depth one-on-one meetings and executive boardroom presentations with qualified buyers. The response from international prospects was greater than predicted. Laura was able to meet with 15 new potential clients, give valuable take away content about Exhibition Place and network extensively.

From June 25 to June 27<sup>th</sup>, Laura Purdy, Gilles Bouchard, Christine Hartinger and Ellen de Boer attended the annual Canadian Association of Exposition Management (CAEM) Conference in Niagara Falls. As a team, they co-hosted the Enercare Centre booth during the one day trade show. The CAEM Conference was attended by senior management from major trade and consumer show producing companies from across Canada. This year, for the first time, lunch was served at stations throughout the show floor which resulted in an increase in booth visitors. The Enercare Centre booth was visited by 45 qualified show managers, approximately half of whom are clients. In addition to hosting a booth at the CAEM Conference, the Exhibition Place team attended a series of seminars, industry meetings and social events. These seminars were a great resource for learning industry trends while allowing the team to interact with clients and suppliers.

On July 12 to July 14<sup>th</sup>, Don Leddy, Barbara Outschoorn and Marvin Self attended the Canadian Society of Association Executives (CSAE) Summer Summit in Prince Edward Island. The Summer Summit continues to serve the Association Team with professional development, excellent networking and potential clients.

IncentiveWorks, the largest meetings and events industry trade show in Canada, was held on August 22<sup>nd</sup> to August 23<sup>rd</sup> at the Metro Toronto Convention Centre. The Exhibition Place sales team participated in the education programs as well as hosting a booth at the trade show with Hotel X Toronto as our partner. This industry event included both preplanned buyer appointments and greeting clients visiting our booth. There was a mix of current clients, prospective clients and new contacts in attendance. Upon completion of the IncentiveWorks trade show, a contact list and resultant warm leads are scheduled for follow up.

## **Event Services**

June was a very busy month with several regular walk / race / ride events such as the Becel Heart and Stroke Ride for Heart, Telus Walk to Cure Juvenile Diabetes, Enbridge Ride to Conquer Cancer and the Toronto Waterfront 10k. All of these events proceeded smoothly, with the Enbridge Client reporting great satisfaction on the success of the event and their fund raising efforts.

Exhibition Place was honoured to host His Holiness the 17th Gyalwang Karmapa Ogyen Trinley Dorjes. This event took place in both Enercare Centre and Beanfield Centre. As this event was new to Canada, it was a learning experience for both the client and staff, all of whom worked well together. The client was pleased and it was a wonderful event.

A number of film shoots took place. Preparations for the Eid Al Fitr prayers and party were smoother than in the past and the event was a success. Attendance was much higher than in the past, probably due to its taking place on the weekend.

Intensive preparations for the annual Honda Indy began during the month of June and continued until the event in July. Repeat clients during July included Magic the Gathering, the Toronto Triathlon Festival and the Lolë White Tour, which was a huge success. The event sold out completely and the client wishes to return next year.

The ASAP concert was re-located from Heritage Court to Hall A due to occupancy limitations. Staff began initial preparations for the Peeks Toronto Caribbean Carnival during February of this year, and met weekly with various groups during the following months leading up to the event in early August. The event went very well.

#### **Beanfield Centre**

There were a total of nineteen events in June, including returning clients such as the Canadian German Chamber, Gensuite, Mining Safety and The Advertising Club of Toronto (their 6th year with us). Sage Summit and Younique Empower YOU which were both large, 2-day events. The CNE held their staff luncheon meeting. Cerise hosted the Royal LePage Annual Luncheon for the 5th year and the Heather Ross Gala, which is a new event. We also hosted the regular Tenant Client Session. New clients included the Advertising & Design Club, Canada Pension Plan, I4PL, IESO, Recycling Council of Ontario and The Mehrit Centre.

Ten events were hosted in July, including Hotel X's one-day job fair, and ExPlace All Staff Session, CNEA Board Meeting, and HR Training. A Modernized Apprenticeship was also held in June. CPA Capstone held two separate workshop sessions both at Enercare Centre and Beanfield Centre on July 8–9 and July 22–23.

Once again this August, Beanfield Centre hosted the CNE Food Handler Training over 3 days, Exhibition Place Housekeeping Training and the returning NDEB Exams.

#### Parking and Security

June

June was a busy month for Parking Services as the grounds hosted parking for various events onsite and for neighbouring venues. The heavy rains in the early part resulted in a slight drop in profits, as visitors opted for public transportation, however due to the events in BMO Field and Ricoh Coliseum, overall profits were up 6.82% above budget.

July

The busy summer schedule continued into July to prep for Honda Indy and road closures were required in order to build the track. Visitor parking on site and for neighboring events was managed with weekly calls involving Honda Indy management, Exhibition Place, and our partners in crowd management, with pedestrian safety being a priority. A last minute press conference at Ontario Place for Mayweather vs McGregor was a cause for concern as Lakeshore was scheduled to be closed and this event brought a high volume of vehicles and pedestrians to the area. The number of events on site saw an increase in the use of the GO train station; Parking Services responded by implementing pedestrian traffic plans to accommodate the number of people walking through the grounds and ensure safety.

## August

Summer activity peaked in August with Caribbean Carnival, TFC, and Argos, followed by CNE move-in taking control of the grounds. The Parking Services team worked diligently with CNE management to ensure smooth operations throughout load-in and the Fair.

### **IT/Telecommunications**

The Telecommunications/IT department has been busy servicing various events as well as upgrading key services over the summer.

IT/Telecom managed a relatively complicated custom WiFi deployment for the SAGE show in the Beanfield Centre, as well as outdoor streaming video connectivity for Caribbean Carnival and deployment of the CNE's entire IT and security camera system. The CNE's requirements span the entire campus and include multiple network and telephony deployments for a variety of installations including ticketing gates, security camera systems and grounds wide WiFi.

The new 10GB data feed from Beanfield was activated this summer, providing Exhibition Place with a state of the art internet delivery mechanism. This enhanced service now provides the campus with the capability to distribute up to 10GB internet to data centric events and provides a pathway for even higher band rates in the future. As part of the upgraded service, Exhibition Place IT deployed a new core 10GB fibre optic data switch, providing a distribution path to the various buildings on the campus.

The IT Department is working on the upgrade to the Booking Management software system and is preparing to deploy a new web server for this project. The upgraded software will take advantage of a browser based interface, providing greater deployment flexibility.

#### **Building Operations**

- Repaired roof leaks in the Galleria near Hall A, south-east Industry and West Annex
- Repaired terrazzo at top of C/D stairway exit and the south stair edges to Beanfield Centre
- Repaired two damaged Hall A south exit wood doors

### **Facility Services**

- Completed the hiring of Housekeeping staff for our summer service delivery.
- Held multiple comprehensive, job specific, training sessions for the new and young workers joining the Exhibition Place team for the summer.
- Concluded the cleaning and beatification project of the Enercare Centre garage level.
- Currently reviewing staffing requirements for our autumn events in both Housekeeping and Production Services areas.
- Took possession of new staging systems for use in Enercare Centre salon. This staging system matches our meeting and convention inventory at Beanfield Centre.
- In conjunction with the City of Toronto, all relevant flag protocols have been reviewed and Exhibition Place compliance ensured.
- Refreshed all flags in various locations on our grounds, while also including the addition of the Canada 150 flags currently atop the Princes' Gates.
- Ensured that regularly employed union and non-union staff are compliant with the new fleet safety protocol.
- Completed the relocation of Production Services equipment and House Persons from the General Services building to Enercare Centre, centralizing the service delivery.
- During the latter part of August, Facility Services has been focused on the responsible disposal of obsolete assets in the cubicles and the General Services yard.
- Completed the tendering process to hire a consultant to review the fixed audio visual inventories at Beanfeild Centre in order to maintain competitive edge with the technology our clients have come to expect.
- Production Services has met with two major clients in an effort to seek efficiencies in their 2018 programs.
- Currently reviewing move out process for the end of the Canadian National Exhibition, and focusing forward into our fall schedule.
- Currently entering the procurement process with final specifications of the preferred three stream waste diversion fixtures for Beanfield Centre.
- Upon completion of the grounds wide tree audit, all first-priority items have been completed prior to the Honda Indy, with lower priority items in progress.
- Drafting specifications for the procurement of a 45' high reach platform and a new floor scrubbing unit.

#### **EXcellence in Action**

Nancy Kloek received an email dated June 9<sup>th</sup> from Donna Luque regarding the Mining Safety Round Table; "Thank you for all your support and for making all the last minute changes we threw at you.. It was a pleasure working with you and your team, like we mentioned, the staff had a great attitude and they were very accommodating to the group."

Diane Blackburn of the Recycling Council of Ontario sent an email dated June 9<sup>th</sup> to Sonia Naeemi, Andrew Landrigan, Hank Smith and Marvin Self; "Once again it's my great pleasure to thank each one of you, including those on the team whom I met, but for whom I have no email addresses, for another fine meeting yesterday. I think we have this process down pat! I consistently get great reviews on the food and the service and we all know that there are many behind the scenes that make that happen. Please pass on the praise to those who labour unseen but whose efforts are noticed by our guests. Every one of your staff is a professional"

As well, Diane Blackburn of RCO made the following comments in her post event survey; "Beanfield has always had superb food. Our guests regularly comment on how tasty and creative the meals are." and "Always a pleasure being at Beanfield"

Denise DeFlorio received an email dated June 12<sup>th</sup> from Yanshie Bahuguna of the Gensuite LLC Toronto Regional Conference; "It was a great experience working with you and we received such amazing feedback from our customers/team about the venue and other arrangements."

John P of Liberty Grand sent a text message to Ron Kostick: "I would like to say that your team over at Beer Fest were amazing. Communication and cooperation was fabulous this past Friday and Saturday. Our weddings were perfect."

#### Spectra by Comcast Spectacor

#### June

Spectra had a quiet but good month. We had the great opportunity to host His Holiness the 17<sup>th</sup> Karmapa event which was a two day event. Spectra made 120 boxed lunches for their staff each day; in addition Spectra provided 5 food vendors for their expected attendance of 4,000 people. The Food Trucks and Pop-Ups were well received. Next we had the Accenture Community event for 600 attendees, for which Spectra provided boxed lunches and a reception.

#### July

Magic the Gathering, a three day show, took place towards the end of July. On the same weekend, Spectra provided one food vendor for the CPA exams. Boxed lunches were provided for the Lolë White Tour, which included a VIP reception for 300 guests. Overall a great month for Spectra!

#### August

Spectra hosted a plated lunch and plated dinner for the CNE Opening Reception in Café Soleil. As well, the Galleria Café is in operation for the first time for the duration of the CNE. Overall it has been a very steady month for Spectra.

#### **Cerise Fine Catering**

19,000 guests crossed the Beanfield threshold these past 3 months! Cerise welcomed many loyal return clients and a number of new guests we look forward to seeing back again soon.

For many of the delegates, days started with the most important meal of the day featuring Omega 3 Eggs and Chef's special feature of Seared Vine Ripened Tomato, Steamed Asparagus and House-made Quinoa Granola. Customized lunches included Halal Beef Burrito and Wheat Berry & Quinoa, Dried Cherry Tomato Confit, Bocconcini, Kalamata Olives, Basil Pesto, Arugula, Wraps.

Blue skies and sunshine set the perfect outdoor setting on the South Lawn for a traditional BBQ with Angus Burgers and All Beef Hot Dogs. Cauliflower Pakora served with Raita Dip was voted as the favourite Hors D'Oeuvres at Receptions.

A feature highlight included hologram technology (featuring a welcome address and tribute to Dr. Heather Ross from Prime Minister Justin Trudeau) at the Above and Beyond Gala, A Tribute to Dr. Heather Ross, brought to Beanfield Centre by Cerise partner George Friedmann. Proceeds from the event, which grossed \$8.1 million, will be used to support the development of novel digital health platforms that will improve the efficiency and quality of life for heart failure patients, individualize patient management, provide real-time performance metrics, and enable transformative research through the emerging field of computational biomedicine.

Cerise's new feature of house-grown herbs and vegetables has been a hit, and the garden is still flourishing as summer comes to a close. We also mark the end of this summer with donations to Second Harvest valued at \$75k in retrial food value. We can all be proud growing at home and keeping the bounty at home!

## Summary of Sole Source Commitment Activity by Reason - June 1 to July 31, 2017

**Part A** of the report below informs the Board of the sole source activity for Exhibition Place including sole source purchases approved through the Board. The format used to provide the information below is the same used by the City of Toronto Purchasing and Materials Management Division (PMMD) so as to maintain consistency and uniformity in reporting.

Procedures for the processing of sole source purchase are outlined below and include due diligence measures to ensure that:

- (1) Detailed explanation is provided for the sole source purchase.
- (2) Sole sourcing is an appropriate method to obtain the needed goods and/or services
- (3) Proper approvals as outlined in the Board Financial By Laws are obtained before processing a sole source purchase; and
- (4) Where possible, the process is in accordance with current market conditions and prices offered to other customers.

Total sole source activity from June 1 to July 31, 2017 is \$194408.28. The percentage of dollar value of sole source purchasing activity for goods and services compared to the total purchasing expenditures of \$1,608,231.54 is 12.1% for this period. The total value of sole source purchasing expenditures for the period January 1 through July 31 is \$368,420.38 against purchases of \$3,455,861.45 or 10.7% to date.
