To: Mayor John Tory and Executive Committee Members

Re: Smart City Initiative

Recommendation:

1. The Executive Committee request that the Chief Information Officer and the General Manager of Economic Development and Culture deliver a presentation on the Smart City Initiative at the May 29, 2017 Government Management Committee meeting.
2. That the presentation include an update on the Toronto Region Board of Trade's Smart Cities Summit, the Toronto Region Board of Trade's Smart City Report and the Smart Cities Working Group (SCWG).

In an effort to support the efforts to advance the City of Toronto into a "Smarter City" it would be beneficial to have an update on the project and collaborations the city is currently undertaking.

On May 10, 2017 the Toronto Region Board of Trade (TRBOT) hosted the 2nd Annual Toronto Region Board of Trade Smart Cities Summit where the TRBOT Smart Cities report was released. The report was created by the Smart Cities Working Group (SCWG), a collaboration of 35+ public, private and academic organizations including City staff.

I look forward to your support in this request.

Sincerely,

Councillor Paul Ainslie
City of Toronto
Scarborough East Ward 43
