Dear Mayor Tory;

I am writing on behalf of the Board of Directors of Applegrove Community Complex. We are concerned about the loss of recreation opportunities in this neighbourhood if the City removes swimming programming from S.H. Armstrong Recreation Center.

Aquatics offer such excellent activities for fun and fitness across the age range from toddlers to older adults. Other indoor pools are not within walking distance and have wait lists for key programs.

As the province champions community hubs, it would be a shame to decrease programming at a model community hub that has offered recreation, sports, leisure, education, services and much more for generations.

Applegrove's Board of Directors looks forward to hearing that S.H. Armstrong pool programming will continue.

Sincerely,

Jean Lim O'Brien,
Board Secretary.
