Re: 26.45 - Licencing Exemptions for Fraternities and Sororities

The Grange Community Association (GCA) represents the area bounded by University Avenue, College Street, Spadina Avenue and Queen Street.

We have reviewed the communication submitted by Councillor Cressy to eliminate the exemption for fraternities and sororities in the current regulatory framework for structures with multi-tenants who are unrelated.

We also agree with the proposal to eliminate this exemption and have over the years worked closely with resident associations adjacent to our area, in particular the Annex Residents Association, whose members have borne the brunt of the negative consequences of this exemption.

Sincerely,
