

# Proposed King Street Transit Pilot Perspectives from UPS Canada

June 19, 2017

1975

With deliveries in Toronto, Canada, UPS begins operations outside the U.S.

Toronto, Ontario, Canada

# UPS in Toronto

- Serving customers in Toronto since 1975
- Over 400 employees working on deliveries within Toronto
- Fleet of almost 200 package cars
- Deliveries and pick-ups to residents and local commerce on King Street

# King Street Pilot

- Value of consultative, collaborative approach
- Designated spaces for short-term loading and delivery – importance of enforcement
- Adapting driving patterns to improve safety
