Dear Mayor Tory and Members of the Executive Committee,

We are writing to express our enthusiastic endorsement of the proposed Ravine Strategy. It is great to see this level of attention, systemic thinking and investment being brought to bear by the City and all stakeholders to regenerate, protect and enhance our urban ravines and our watershed.

We urge you to approve the policies and proposals set out in the Ravine Strategy and urge you to budget sufficient funds to implement it, with the long term commitment that is needed.

Best regards,  
Chris Lowry  
President, Moore Park Residents Association
