From: Councillor Mark Grimes
Subject: Request to Investigate Browns Line southbound between Dover Drive and Lake Shore Boulevard West for Safety Improvements

SUMMARY:

In recent months there have been two fatal car crashes on Browns Line travelling southbound between Dover Drive and Lake Shore Boulevard West. Motorists that are unfamiliar with the geography of the area might not anticipate the 90° curve that follows the Browns Line Bridge.

RECOMMENDATION:

Etobicoke York Community Council direct Transportation Services staff to:

1. Undergo a thorough study of potential solutions, including signs, pavement markings, flashing beacons, etc. that could be implemented in order to mitigate future collisions at this location.

Thank you for your consideration.

Sincerely,

Mark Grimes
