Transportation Services has assessed the realignment of permit parking area 1B to exclude the property located at 248-260 High Park Avenue as requested by Etobicoke York Community Council on June 13, 2017. ## **DECISION HISTORY**

---

At its meeting September 6, 2017 Etobicoke York Community Council in considering item EY23.3, requested Transportation Services to examine and report back to Etobicoke York Community Council regarding the realignment of permit parking area 1B and the exclusion of the subject site at 248-260 High Park Avenue.

## **COMMENTS**

---

Permit Parking area 1B is bounded on the west by Quebec Avenue, on the north by the Canadian Pacific Railway, on the east by Canadian National Railway and the south by Bloor Street West. Area 1B has 2,016 on-street parking spaces. To date, 1,495 permits have been issued. This area does not have a history of being waitlisted, meaning the demand for overnight on-street parking permits has never exceeded the supply of parking spaces. There is TTC service on High Park Avenue. Councillor Sarah Doucette and residents neighbouring 248-260 High Park Avenue support this action as a means of ensuring that this new development does not negatively impact the permit parking supply to the existing neighbourhood.

A Public Notice was placed on the City's website requesting those objecting to the exclusion of 248-260 High Park Avenue, from permit parking area "1B" to forward their objections in writing to the City Clerk, so they may be scheduled as deputations at the Etobicoke York Community Council meeting. The Clerk has confirmed that no objections have been received.

Transportation Services has no objections to the exclusion of 248-260 High Park Avenue from permit parking area 1B.
