Re: Queen's Plate Festival, Liquor Licence Extension – July 1st & 2nd, 2017

Please be advised that we are presently requesting a Temporary Extension Liquor Sales Licence for our outdoor Walking Ring area, West Parking Lot adjacent to the Walking Ring and our Standardbred Paddock Building at Woodbine Race Track.

Similar to our granted extension on July 3rd of 2016 with the addition this year of adding a concert celebration to the previous day, Canada Day on the Saturday. Attached you will find the diagram of the requested area directly adjacent to our existing licence. This area will be segregated by way of a temporary 42 inch metal fence (shown in red on diagram) attached to our existing licensed area. This area will start at the east end of the building, running along the perimeter of the Walking Ring Area including the Standardbred Paddock and parking lot and again attaching itself to our existing licensed area on the west end of the building. The area will include up to five temporary tents, 40 ft. by 100 ft. (tent supplier to obtain permits), portable washroom facilities, food truck(s) and two outdoor entertainment stages. The smaller of the two stages will be set up in the Walking Ring area and the main concert stage will be in the west parking lot. We expect an approximate attendance in this extended area of 30,000 people. Each access point will be manned by a Smart Serve Certified door host.

The event will run from 11:00am to 11:00pm on both days July 1st and July 2nd, ~~2016~~, 2017.

As per Liquor Board regulations, we require a letter of "no objection" to the extension of our proposed extended licensed area from the Municipal Clerk's Office. Should you have any questions, or require any further information, please feel free to contact me directly at 416-675-3993. Extension 2567.

Sincerely,

William F. Orct
Director
Racing and Gaming Hospitality
Woodbine Entertainment Group

Cc: B. Ford, C. Day, J. Soares, K. Murphy, J. Cabling

Total Sq Ft = app 635,000 sf
 - this is to be used for AGCO Liquor License Application
 - showing proposed east event space
