Re: Toronto Fire Services - Open Data

Dear Ms. Watkiss,

I am submitting this Administrative Inquiry under Municipal Code S27-61 to seek information regarding Toronto Fire Services (TFS) open data sets referenced in 2016.CD13.7.

Toronto Fire Service reported that they were committed to transparency in data reporting and had adopted the City's Open Government by Design initiative with the anticipation to release the open datasets by the fourth quarter 2016.

I am requesting answers to the following questions:

1. Why has Toronto Fire Services (TFS) not released the open datasets as per the City of Toronto's mandate?
2. When will TFS regularly release open data sets and update on a regularly basis?
3. When will TFS provide a detailed list of the soon to be released open data sets with the date for release?

Sincerely

Paul Ainslie  
City of Toronto Councillor
