Re: Toronto Parking Authority- Open Data

Dear Ms. Watkiss,

I am submitting this Administrative Inquiry under Municipal Code S27-61 to seek information regarding the Toronto Parking Authority lack of open data sets with regards to on the City of Toronto Open Data Portal

The Toronto Parking Authority to date has released one dataset on their locations along with some associated TTC parking lots.

I am requesting answers to the following questions:

1. When will the Toronto Parking Authority regularly release open datasets and update them on a regularly basis as mandated by Toronto City Council?
2. When will the Toronto Parking Authority provide a detailed list of soon to be released open datasets with the date for release?

Sincerely

Paul Ainslie
