Dear Madam Clerk,

Re: Hate-Sponsored Rallies such as Al Quds Day

I am writing in response to the Administrative Inquiry submitted by Councillor James Pasternak to the City Clerk, dated September 19, 2017. The Administrative Inquiry requests an answer to a question regarding any potential options available to the City of Toronto to prevent rallies inciting hatred or violence from taking place on city or provincial property in Toronto.

The work required to provide a fulsome response to the Administrative Inquiry with input from various City Divisions and Toronto Police Services will require additional time. I will endeavor to provide a substantial response to City Council in time for its next scheduled meeting on November 7, 2017.

Sincerely,

Giuliana Carbone
Deputy City Manager, Cluster A
