The cool room in this building is located:

The hours of operation of City-run Air-conditioned Public Places may vary. Residents should check if the space is open.

Tips to beat the heat:

- Drink lots of cool water even before you feel thirsty.
- Keep blinds or drapes closed to block out the sun during the day.
- Use a fan next to your window, to bring cooler air in from outside.
- Never leave a person or pet inside a parked car or in the direct sunlight.
- Consult with your doctor or pharmacist on medications that increase your risk to heat.
