Cesar Palacio
Chair of Licensing and Standards Committee

October 20, 2017

Dear Mr. Palacio

Re: Cameras in PTC Vehicles

It has been over a year since the by-law for PTC was enacted and it is time to have it reviewed. I would formally request that we request a report back in the Q1 2018 from the executive director of Licensing and Standards on the issue of installation of mandatory cameras in PTC Vehicles.

Backgrounder

When we finalized the PTC vehicle regulations it was stated that in one year we would have a report back of findings. Since then there have been a few incidents of sexual harassment incidents in PTC vehicles. It is time we look at this closer and thus get a report back from the executive director of MLS in the 1st quarter of 2018 on making it mandatory for the installation of cameras in PTC vehicles.

Sincerely,

A handwritten signature in black ink that reads "James Karygiannis".
