Reopen Item NY15.20 to change Turn Prohibitions - Avenue Road and Castlefield Avenue - by Councillor Christin Carmichael Greb, seconded by Councillor Michael Ford

** This Motion has been deemed urgent by the Chair.*

** This Motion is subject to a re-opening of Item NY15.20. A two-thirds vote is required to re-open that Item. If re-opened, the previous Council decision remains in force unless Council decides otherwise.*

Recommendations

Councillor Christin Carmichael Greb, seconded by Councillor Michael Ford, recommends that:

1. City Council rescind its previous decision on Item NY15.20 and adopt instead the following new recommendations:

1. City Council prohibit eastbound left turns at all times at Avenue Road and Castlefield Avenue.
2. City Council prohibit westbound left turns at all times at Avenue Road and Castlefield Avenue.
3. City Council prohibit eastbound through movements at all times at Avenue Road and Castlefield Avenue.
4. City Council prohibit westbound through movements at all times at Avenue Road and Castlefield Avenue.

Summary

On July 12, 2016, City Council adopted Item NY15.20, Turn Prohibitions - Avenue Road and Castlefield Avenue. This item restricted left turn and through movements at the intersection, in front of Allenby Junior Public School, during peak hours from 6:00 a.m. to 10:00 a.m. and 3:00 p.m. to 6:00 p.m., Monday to Friday. Since the implementation of the prohibitions in August 2016, Toronto Police Services collision data shows eleven collisions at the intersection. Seven of these collisions took place outside of the peak hours listed above.

I am urging you to support my Motion to reopen Item NY15.20 and extend the turn and through movement prohibitions at Avenue Road and Castlefield Avenue so that it will apply at

all times. This Item is urgent as the turn and through movements at this intersection are unsafe; there have been three accidents at the intersection this month.

REQUIRES RE-OPENING
