*\* This Motion is subject to a re-opening of Item PW15.10. A two-thirds vote is required to re-open that Item. If re-opened, the previous Council decision remains in force unless Council decides otherwise.*

**Recommendations**

Councillor Mary-Margaret McMahon, seconded by Councillor Janet Davis, recommends that:

1. City Council amend its decision on Item PW15.10 by deleting Parts 1 and 3, and adopting instead the following:

1. City Council approve the installation of northbound and southbound cycle tracks and bicycle lanes on Woodbine Avenue, from O'Connor Drive to Queen Street East, as described in Attachment 1 – Woodbine Avenue: Amendments to Cycle Track and Bicycle Lane Designations, attached to Motion MM29.38; and

3. City Council enact the traffic and parking regulation amendments as described in Attachment 3 - Amendments to Traffic and Parking Regulations: Woodbine Avenue and Corley Avenue, attached to Motion MM29.38.

**Summary**

The purpose of this Motion is to re-open Item PW15.10 - Cycling Facilities on Woodbine Avenue and Corley Avenue, approved by the City Council on October 5, 6 and 7, 2016 and to amend bicycle lane, parking and traffic regulations on Woodbine Avenue and Corley Avenue to reflect the current design.

The proposed parking and traffic regulation changes on Woodbine Avenue are required to address Toronto Transit Commission comments to accommodate movement of TTC buses at some bus stops and mid-block locations. Changes on Corley Avenue are related to addressing request to extend timing for the pick-up and drop-off area for the Norway Junior Public School and YMCA Child Care Centre.

Subject to approval of this Motion, Transportation Services staff plan to install cycling facilities

on Woodbine Avenue and Corley Avenue this summer therefore this Motion is deemed urgent.
