Recommendations

Councillor Justin J. Di Ciano, seconded by Councillor Stephen Holyday, recommends that:

1. City Council authorize the General Manager, Parks, Forestry and Recreation to negotiate and execute a shared use agreement, the term being the life of the asset (which is estimated to be a minimum of 10 years), between the City of Toronto and the Toronto Catholic District School Board with respect to the lands known as Our Lady of Sorrows Catholic School in exchange for the City's contribution of not more than \$345,000 towards construction of an artificial turf sports field, on terms and conditions satisfactory to the General Manager, Parks, Forestry and Recreation and in a form satisfactory to the City Solicitor.
2. City Council authorize the payment of up to \$345,000 from the approved 2017 Parks, Forestry and Recreation Capital Budget, 2017 Sports Fields sub-project in the Outdoor Recreation Centres project, funded from Capital from Current, to the Toronto Catholic District School Board for the construction of an artificial turf sports field, upon receipt of invoices satisfactory to, and provided the work has been completed to the satisfaction of, the General Manager, Parks, Forestry and Recreation.

Summary

The Toronto Catholic District School Board has approached the City of Toronto's Parks, Forestry and Recreation Division regarding the cost sharing of the \$1,147,700 construction costs for an artificial turf field at Our Lady of Sorrows Catholic School. The cost share would allow for evening and weekend permitting opportunities for Parks, Forestry and Recreation. Funds of up to \$345,000 are available in the 2017 Council Approved Parks, Forestry and Recreation Capital Budget under the 2017 Sports Fields sub-project, in the Outdoor Recreation Centres project. There are no annual maintenance fees being requested by the Toronto Catholic District School Board as part of the initiative.
