Summary

This Member Motion requests Council to endorse various events requiring extensions of licensed hours or areas for liquor licensing purposes.

At its October 17, 2017 meeting, by adopting item TE27.81, Toronto and East York Community Council declared various events to be municipally significant for liquor licensing purposes. No recommendations were forwarded to Council as there appeared to be no events that required extensions to licensed hours and areas.

Since then it has become clear that two of the events in Item TE27.81 include extensions to existing licensed areas. A third event, previously approved by Council in Item TE26.124, has requested a change of dates for extended hours. This Motion will allow Council to consider and endorse these extensions so that the event organizers can apply for Alcohol and Gaming Commission of Ontario approval.

The relevant communications from event organizers are attached.
