

### **MM35.36 - summary of changes**

- The revised recommendations reflect additional technical amendments that form part of the Bills to be enacted by City Council.
- The summary of Motion MM35.36 referred only to the addition of an exemption from Section 12(2)246 (a), (c) and (e) (from parent By-law 438-86) to By-law 848-2017, as amended. The revised recommendations now also add the following exemptions from By-law 438-86:
  - Section 4(5)(i)
  - Section 12(2)270(b)
- The revised recommendations also include enactment of a Bill to make a technical amendment to By-law 849-2017, as amended, to include the following exemptions from parent By-law 569-2013:
  - Clauses 50.10.40.70, 50.10.40.80 and Regulation 50.10.90.40(3)
  - Article 220.5.10
- There is now the addition of a new regulation (Regulation M) – related to the number of loading spaces.
- all technical amendments referenced ensure that the by-laws appropriately reflect the proposal before City Council at the time of original approval.
