

To: North York Community Council

Subject: Parking Regulation at 12 Industrial Street

Summary:

The business at 12 Industrial Street has been experiencing difficulties with cars parked in front of the property. The parked cars are impeding access for the service and delivery trucks accessing the property in the early morning and evening. Currently, there's parking allowed overnight when the business cannot monitor the parking.

Therefore, I am requesting to implement a parking prohibition in front of the property at all times.

Recommendation:

1. Prohibit parking at all times on the north side of Industrial Street, between a point 152 east of Laird Drive and a point 96 metres further east.
2. Rescind the parking prohibition in effect from 8:00 a.m. to 6:00 p.m., Monday to Friday, except public holidays, on the north and west side of Industrial Street, between a point 30.5 metres east of Laird Drive and Commercial Road.
3. Prohibit parking from 8:00 a.m. to 6:00 p.m., Monday to Friday, except public holidays, on the north side of Industrial Street, between a point 30.5 metres east of Laird Drive and a point 152 metres east of Laird Drive.
4. Prohibit parking from 8:00 a.m. to 6:00 p.m., Monday to Friday, except public holidays, on the north and west side of Industrial Street, between a point 248 metres east of Laird Drive and Commercial Road.

Thank you for your consideration of this matter.

Sincerely,

Jon Burnside
Ward 26
