To: North York Community Council
From: Councillor Maria Augimeri
RE: Excluded Area of Chapter 925, Permit Parking

Summary:

After hearing from numerous residents of the Stanley Greene Development regarding their concerns about on-site parking facilities that cannot accommodate their parking needs, I have concluded that their long term parking needs may be satisfied through the City's Residential On-street Permit Parking Program. The areas of the City that currently allow for residential permit parking are: Toronto and East York, certain areas of Etobicoke York, certain areas of North York and certain areas of Scarborough. This program is currently not in place for the area between the Humber River and Victoria Park Avenue north of Highway 401, however, because this area is included in the definition for "Excluded Area" under Chapter 925, Permit Parking. Under section 925-4C, Chapter 925, Permit Parking, will not apply to the excluded area as defined, meaning, among other things, that staff are unable to designate roads or areas within the excluded area as permit parking roads or areas even where staff are in receipt of a petition from residents. This motion seeks to remove the following area from the excluded area under Chapter 925, Permit Parking, such that streets within this area can be considered for permit parking through the petition and polling process:

The area bounded on the west by Jane Street, on the east by Allen Road, on the south by Highway 401, and on the north by Grandravine Drive from Jane Street to Keele Street, Keele Street from Grandravine Drive to Sheppard Avenue West, and Sheppard Avenue West from Keele Street to Allen Road.

Recommendations

1. City Council authorize the amendment of Toronto Municipal Code Chapter 925, Permit Parking, to amend section 925-1B by adding the following language to subsection (1) of the definition for "Excluded Area":

"save and except the following streets/areas:

- (a) The area bounded on the west by Jane Street, on the east by Allen Road, on the south by Highway 401, and on the north by Grandravine Drive from Jane Street to Keele Street, Keele

Street from Grandravine Drive to Sheppard Avenue West, and Sheppard Avenue West from Keele Street to Allen Road;"

Thank you for your consideration of this matter.

Sincerely,
