## **COMMENTS**

---

Transportation Services was requested by a local resident to review the current parking activity on the east side of Robina Avenue, from Jesmond Avenue to a point 28 metres north. This request is in response to their concerns that parked vehicles on the east side of Robina Avenue are blocking their driveway and affecting access and egress.

Robina Avenue is a two-way local road with a regulatory speed limit of 50 km/h. Municipal sidewalks are located on both sides of the roadway and the pavement width is approximately 7.1 metres.

Currently, parking is prohibited at all times on the west side of Robina Avenue between Holland Park Avenue and Vaughan Road. Parking is prohibited except by permit from 12:00 midnight to 6:00 a.m. and permitted for a maximum of three hours at all other times on the east side of Robina Avenue.

There are 46 parking spaces available on the east side of Robina Avenue between Vaughan Road and Holland Park Avenue and only 14 permits have been issued. The implementation of prohibited parking at all times would permanently eliminate the two parking spaces adjacent to 297 and 295 Robina Avenue.

The Ward Councillor is aware of the recommendations of this staff report.
