## RE: Speed Limit Reduction on St. Leonard's Avenue

Dear Chair and Colleagues,

A number of residents on St. Leonard's Avenue have brought to my attention their concerns regarding speeding on their street between Bayview Avenue and Mount Pleasant Road, and are requesting that the speed limit be lowered to 30 km/h. Last summer, North York Community Council supported my motion to reduce the speed limit on the west portion of St. Leonard's, between Mount Pleasant Road and Yonge Street, from 40 km/h to 30km/h.

In this neighbourhood, St. Leonard's Avenue is the only street between Lawrence Avenue East and Blythwood Road that directly connects Bayview Avenue to Mount Pleasant Road. For this reason, St. Leonard's Avenue is heavily used, often times at speeds well above the speed limit.

Due to the high levels of traffic infiltration on this street, the community has requested that the speed limit on this street be reduced to 30km/h.

## RECOMMENDATIONS

That North York Community Council:

1. Rescind the 40 km/h speed limit on St. Leonard's Avenue between Bayview Avenue and Mount Pleasant Road.
2. Authorize a 30 km/h speed limit on St. Leonard's Avenue between Bayview Avenue and Mount Pleasant Road.

Warm regards,

**Jaye Robinson**  
City Councillor
