RE: Items NY17.28 and NY17.29:

- **Demolition of a Designated Heritage Property within the Blythwood Road Heritage Conservation District and Construction of a Replacement Structure – 67 Blythwood Road; and,**
- **Demolition of a Designated Heritage Property within the Blythwood Road Heritage Conservation District and Construction of a Replacement Structure – 79 Blythwood Road.**

Dear North York Community Council,

The Blythwood Road Heritage Conservation District Plan strongly encourages community engagement and involvement on issues impacting the District.

For this reason, I've been working hard to organize a community meeting to discuss the heritage attributes of the application over the past several weeks.

Unfortunately, due to constraints related to timing and room bookings, we have been unable to adequately discuss this issue with the neighbourhood.

I am requesting that these items be placed on the agenda of the North York Community Council meeting for January 17, 2017, to allow for ample time to meet with the local neighbourhood.

Warm regards,

Jaye Robinson
