Re.: NY23.28 Turn Restrictions – 1860 Bayview Avenue

Dear Councillor Augimeri and Members of Council:

The Leaside Property Owners' Association, Inc. (LPOA) provides this correspondence to express our strong support for the above action item submitted by Councillor Robinson, to be discussed on the 13 June 2017.

We ask that North York Community Council prohibit entry at all times into the access to 1860 Bayview Avenue, located on the north side of Broadway Avenue, at a point approximately 52 metres west of Bayview Avenue.

Although the City, the developer and the local community apparently agreed during the planning process that all truck traffic was to enter at Bayview Avenue only, trucks continue to use the Broadway Avenue location instead. We ask the City to put in place bylaws to enforce that the Bayview entry be the point of access for trucks.

The current situation has created an unsafe environment along Broadway Avenue, and has further congested an already busy intersection. The LPOA has received expressions of concern from residents on both sides of Bayview, and requests that the City act accordingly.

Thank you,

Carol Burtin Fripp
For myself and Geoff Kettel,
LPOA Co-Presidents

c.c. Councillor Jon Burnside
