RE: **2017.PB25.8 Inclusion on the City of Toronto's Heritage Register -
Midtown in Focus - Phase 01: Main Street Properties**

We write to urge you to support the recommendation that City Council include 258 properties identified in Recommendations 1-7 of this report on the City of Toronto's Heritage Register.

We understand that Properties on the Heritage Register will be conserved and maintained in accordance with the Official Plan Heritage Policies.

We further understand that City staff will bring forward future listing and designation reports in Q4 2017 for the additional properties identified as having potential heritage value in the Midtown in Focus study area.

Your truly,

Linda McCarthy
Vice-President.
