**RE: PB25.8 Inclusion on the City of Toronto's Heritage Register – Midtown in Focus –  
Phase 01: Main Street Properties (Ward 16, 22, 25, 26)**

The North Toronto Historical Society strongly supports the inclusion on the City of Toronto's Heritage Register the 258 properties identified in the Midtown in Focus report. Our organization has been conducting research and providing public programs and walking tours in the area for over forty years and views this listing as an important and necessary move.

Sincerely,

Lynda Moon  
President, North Toronto Historical Society
