**Re: The Citizens Climate Lobby**

Citizens' Climate Lobby is a non-profit, non-partisan, grassroots advocacy organization focused on national policies to address climate change. They are looking for signatories for their letter to the federal government to expand the influence of the national carbon pricing initiative.

**RECOMMENDATIONS:**

That City Council urge the Federal Government to support the requests in the attached "Citizens' Climate Lobby – Open Letter to the Government of Canada".

Sarah Doucette  
Councillor, Ward 13
