505 and 507 Mount Pleasant Road (Heritage Preservation Services, 2017)

STATEMENT OF SIGNIFICANCE: 505 and 507 MOUNT PLEASANT ROAD (REASONS FOR INCLUSION)

The properties at 505 and 507 Mount Pleasant Road are worthy of inclusion on the City of Toronto's Heritage Register for their cultural heritage value, and meet Ontario Regulation 9/06, the provincial criteria prescribed for municipal designation, which the City also applies for inclusion on its Heritage Register. This assessment indicates that the properties meet the criteria under design and contextual values, and further research may identify additional values, including associations with the community, individuals and architects.

Description

The properties at 505 and 507 Mount Pleasant Road are located in the Yonge-Eglinton Secondary Plan Area and the Midtown in Focus planning study area. In 2016, the City of Toronto initiated the Yonge-Eglinton Cultural Heritage Resource Assessment (CHRA) to identify existing and potential heritage resources in the area for review and prioritization for inclusion on the City's Heritage Register, including properties on Mount Pleasant Road between Davisville Avenue and Eglinton Avenue East.

Located on the southeast corner of Millwood Road, the properties at 505 and 507 Mount Pleasant Road contain a pair of two-storey commercial buildings dating to 1927 according to the City Directory.

Statement of Significance

The properties at 505 and 507 Mount Pleasant Road have cultural heritage value for the design of the commercial buildings as representative examples of "Main Street Rows" identified by the two-storey scale, the glazed commercial storefronts with residential or commercial units in the upper floor, and the modest classical detailing typical of those dating to the interwar era.

Contextually, the properties at 505 and 507 Mount Pleasant Road are valued for the role of the commercial buildings in defining, supporting and maintaining the historical mid-rise streetscape character of the thoroughfare between Davisville and Eglinton avenues as a prominent "Main Street" in North Toronto. The buildings at 505 and 507 Mount Pleasant Road are historically, visually and physically linked to their setting anchoring the southeast corner of Millwood Road.

Heritage Attributes

The heritage attributes of the buildings at 505 and 507 Mount Pleasant Road are:

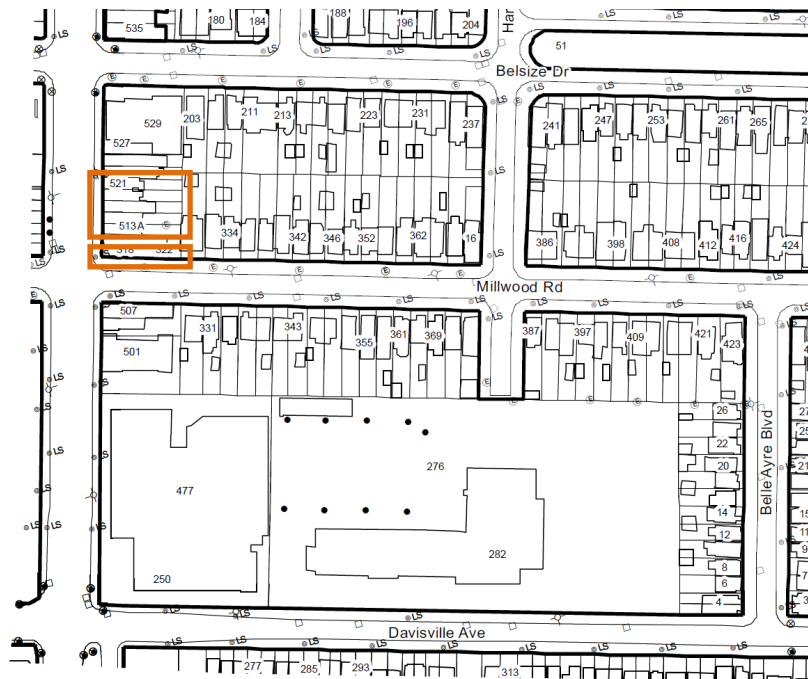

- The setback, placement and orientation of the buildings on the southeast corner of Mount Pleasant and Millwood roads

- The scale, form and massing of the pair of two-storey buildings with the rectangular-shaped plans
- The flat rooflines with the corbelled brickwork, piers and cornices along the west elevations
- The materials, with the brown brick cladding and the brick and stone detailing (the exterior of 507 Mount Pleasant has been painted)
- The principal (west) elevations where, above the first (ground) floor storefronts and entrances (which have been altered), the pairs of flat-headed window openings with the brick flat arches and the corbelled sills
- On the north side elevation of the building at 507 Mount Pleasant Road, the flat-headed window openings

Note: apart from the north side elevation of the building at 507 Mount Pleasant Road, which is described as a heritage attribute, the north and south side elevations adjoin the neighbouring buildings. No heritage attributes are identified on the rear (east) elevations.

509-521 Mount Pleasant Road, excluding 511 Mount Pleasant Road
(Heritage Preservation Services, 2017)

STATEMENT OF SIGNIFICANCE: 509-521 MOUNT PLEASANT ROAD (REASONS FOR INCLUSION)

The properties at 509-521 Mount Pleasant Road (including the entrance addresses at 513A, 515A and 521A Mount Pleasant Road and 318, 320 and 322 Millwood Road), excluding the property at 511 Mount Pleasant Road, are worthy of inclusion on the City of Toronto's Heritage Register for their cultural heritage value, and meet Ontario Regulation 9/06, the provincial criteria prescribed for municipal designation, which the City also applies for inclusion on its Heritage Register. This assessment indicates that the properties meet the criteria under design and contextual values, and further research may identify additional values, including associations with the community, individuals and architects.

Description

The properties at 509-521 Mount Pleasant Road are located in the Yonge-Eglinton Secondary Plan Area and the Midtown in Focus planning study area. In 2016, the City of Toronto initiated the Yonge-Eglinton Cultural Heritage Resource Assessment (CHRA) to identify existing and potential heritage resources in the area for review and prioritization for inclusion on the City's Heritage Register, including properties on Mount Pleasant Road between Davisville Avenue and Eglinton Avenue East.

Located on the northeast corner of Millwood Road, the properties at 509-521 Mount Pleasant Road contain a row of seven two-storey commercial buildings that date to 1927 according to the City Directory. While part of this group, the building at 511 Mount Pleasant Road is not identified for inclusion on the City's Heritage Register because of the alterations that have impacted its integrity.

Statement of Significance

The properties at 509-521 Mount Pleasant Road have cultural heritage value for the design of the commercial buildings as representative examples of "Main Street Rows" identified by the two-storey scale, the glazed commercial storefronts with residential or commercial units in the upper floor, and the modest classical detailing typical of those dating to the interwar era.

Contextually, the properties at 509-521 Mount Pleasant Road are valued for the role of the commercial buildings in defining, supporting and maintaining the historical mid-rise streetscape character of the thoroughfare between Davisville and Eglinton avenues as a prominent "Main Street" in North Toronto. The buildings at 505 and 507 Mount Pleasant Road are historically, visually and physically linked to their setting anchoring the northeast corner of Millwood Road at the south end of a contiguous group of commercial buildings with a shared setback in the block between Millwood Road and Belsize Drive.

Heritage Attributes

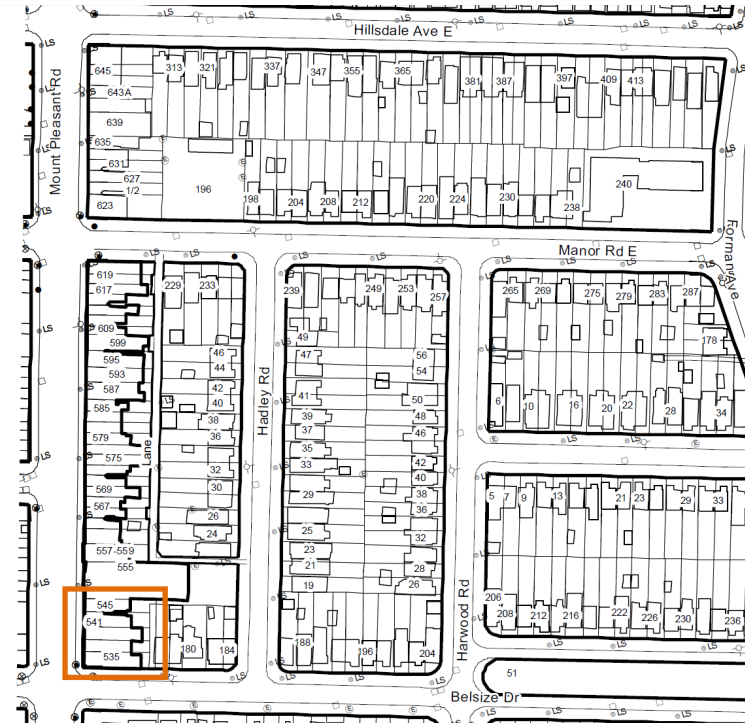

The heritage attributes of the commercial buildings at 509-521 Mount Pleasant Road are:

- The setback, placement and orientation of the buildings on the northeast corner of Mount Pleasant Road and Millwood Road where they are part of a contiguous row
- The scale, form and massing of the six two-storey buildings with the rectangular-shaped plans
- The flat rooflines with the piers along the west elevation
- The materials, with the red brick cladding and the brick and stone detailing (the brickwork has been covered on the buildings at 515, 517 and 521 Mount Pleasant Road, and the upper storey of the building at 519 Mount Pleasant Road has been over clad)
- The principal (west) elevations where, above the first (ground) floor storefronts and entrances (which have been altered), a single segmental-arched window opening with a brick flat arch and stone sill is placed in the second storey of each building
- On the building at 509 Mount Pleasant Road, the flat-headed window openings in the second storey on the south elevation facing Millwood Road

Note: apart from the south side elevation of 509 Mount Pleasant Road, which is described as a heritage attribute, the north and south elevations adjoin the neighbouring buildings. No heritage attributes are identified on the rear (east) elevations.

The property at 508 Mount Pleasant Road (including the entrance address at 298 Millwood Road) is worthy of inclusion on the City of Toronto's Heritage Register for its cultural heritage value, and meets Ontario Regulation 9/06, the provincial criteria prescribed for municipal designation, which the City also applies for inclusion on its Heritage Register. This assessment indicates that the property meets the criteria under design and contextual values, and further research may identify additional values, including associations with the community, individuals and architects.

Description

The property at 508 Mount Pleasant Road is located in the Yonge-Eglinton Secondary Plan Area and the Midtown in Focus planning study area. In 2016, the City of Toronto initiated the Yonge-Eglinton Cultural Heritage Resource Assessment (CHRA) to identify existing and potential heritage resources in the area for review and prioritization for inclusion on the City's Heritage Register, including properties on Mount Pleasant Road between Davisville Avenue and Eglinton Avenue East.

Located on the northwest corner of Millwood Road, the property at 508 Mount Pleasant Road contains a two-storey commercial building that was first recorded in the City Directory in 1928.

Statement of Significance

The property at 508 Mount Pleasant Road has cultural heritage value for the design of the commercial building as a representative example of a "Main Street Row" identified by the two-storey scale, the glazed commercial storefront with residential or commercial units in the upper floor, and the modest classical detailing with the corbelled brickwork typical of those dating to the interwar era. The building is particularly distinguished by its chamfered corner.

Contextually, the property at 508 Mount Pleasant Road is valued for the role of the commercial building in defining, supporting and maintaining the historical mid-rise streetscape character of the thoroughfare between Davisville and Eglinton avenues as a prominent "Main Street" in North Toronto. The building at 508 Mount Pleasant Road is historically, visually and physically linked to its setting anchoring the northwest corner of Millwood Road at the south end of the contiguous row of commercial buildings with a shared setback in the block between Millwood Road and Belsize Drive.

Heritage Attributes

The heritage attributes of the building at 508 Mount Pleasant Road are:

- The setback, placement and orientation of the building on the northwest corner of Mount Pleasant Road and Millwood Road where it is part of a contiguous row
- The scale, form and massing of the two-storey building with the rectangular-shaped plan
- The flat roofline with the cornice on the southeast corner
- The materials, with the red brick cladding and the brick and stone detailing (the exterior has been painted)
- The principal (east) elevation where, above the first (ground) floor storefront and entrance (which have been altered), the flat-headed window openings with the brick detailing and the stone sills in the second storey
- The chamfered southeast corner with the entrance (the door is not original) and the second-storey window opening
- On the south elevation facing Millwood Road, the symmetrically-placed flat-headed window openings

Note: the north side elevation adjoins the neighbouring building. No heritage attributes are identified on the rear (west) elevation.
