

CONDOLENCE MOTION

Moved by: Councillor Josh Matlow

Seconded by: Councillor Sarah Doucette

The Mayor and Members of Toronto City Council are deeply saddened to learn of the passing of Gordon James Whicher on September 2, 2017.

Gord joined the City of Toronto Legal Division in the Planning and Administrative Tribunal Law Practice Group in 2001. During his 16 years of law practice with the City, Gord was a highly valued and trusted Counsel to his clients and colleagues alike. He was patient, kind, creative and a wonderful mentor. When not immersed in the practice of law, Gord was devoted to his family, but also made time for other passions including carpentry, construction and especially music.

Gord's legacy to the City of Toronto Legal Division includes his hard work and collegiality.

The City Clerk is requested to convey, on behalf of the Members of Toronto City Council, our sincere sympathy to Gord Whicher's family.
