To: Members of the Scarborough Community Council
From: Councillor Paul Ainslie
Subject: Community Sign Installations – Ward 43 – Guildwood Village Community

Recommendation:

Scarborough Community Council request the General Manager of Transportation Services, and Manager of Beautiful Streets to design and install community signs within the public road allowance to identify the Guildwood Village Community.

The Guildwood Village is a beautiful community off of the Scarborough Bluffs on Lake Ontario. The community is flourishing with local business, community involvement and with the Guild Park and Gardens renewal inclusive of the historical Guild Inn restoration which is a significant achievement for the City of Toronto and entire Scarborough Community.

Residents are very proud to live in Guildwood Village and have requested through the Guildwood Village Community Association that I put forward this request for the design and installation of a series of community signs to identify and promote the neighbourhood of Guildwood Village.

Similar community signs have been installed across the City enriching local pride, attracting visitors and having positive economic benefits to local business.

By virtue of my submission of this recommendation, I advise that I support this request from my constituents and commit to working with them and Transportation Services staff to ensure the design of the signs meet the criteria for the Installation of Neighbourhood and Community Signs within City of Toronto Road Allowances.

Thank you, in advance, for your consideration of this request.

Sincerely

Paul Ainslie
City of Toronto Councillor
Scarborough East - Ward 43
