

Stopping Prohibition - Meadowvale Road

Date: August 16, 2017
To: Scarborough Community Council
From: Acting Director, Transportation Services, Scarborough District
Wards: Ward 44 – Scarborough East

SUMMARY

This report recommends a technical amendment to prohibit stopping from 7:00 a.m. to 6:00 p.m., Monday to Friday, Buses Excepted, on the east side of Meadowvale Road between a point 64 metres south of Euclid Avenue/Lavery Trail and a point 89 metres further south. No stopping signs are in place as a result of a City of Scarborough Council report in 1973, but the regulation is currently not included in Toronto Municipal Code, Chapter 950.

RECOMMENDATIONS

The Acting Director, Transportation Services, Scarborough District recommends that:

1. City Council prohibit stopping from 7:00 a.m. to 6:00 p.m., Monday to Friday, Buses Excepted, on the east side of Meadowvale Road, between a point 64 metres south of Euclid Avenue/Lavery Trail and a point 89 metres further south.

FINANCIAL IMPACT

The financial cost of installing an additional stopping prohibition sign is approximately \$250.00. The funding for this sign is available in the Transportation Services Division's 2017 Operating Budget, within Cost Centre TP0397.

DECISION HISTORY

This report addresses a new initiative.

COMMENTS

During an operational review, Transportation Services staff identified unregulated stopping prohibition signs on the east side of Meadowvale Road between a point 64 metres south of Euclid Avenue/Lavery Trail and a point 89 metres further south. The stopping prohibition signs were installed as a result of a City of Scarborough Council report in 1973, but the regulation is currently not included in Toronto Municipal Code, Chapter 950.

Existing Conditions

Meadowvale Road is classified as a minor arterial road with a regulatory speed limit of 50 km/h. The land uses in this area are single family residential dwellings and a school. Toronto Transit Commission operates revenue bus service on Meadowvale Road (the 86 Scarborough route).

Analysis

The proposed technical amendment to prohibit stopping on the east side of Meadowvale Road between a point 64 metres south of Euclid Avenue/Lavery Trail and a point 89 metres further south will be consistent with signs already in place and allow for enforcement by Toronto Police Service under the Municipal Code.
