Want to Build a Low Carbon Toronto?

Don't Lead with Climate Change

About the Toronto Environmental Alliance (TEA)

Since 1988, TEA has been working on pressing local environmental issues.

TEA'S VISION: A green, healthy and equitable city with economic activity that sustains our environment.

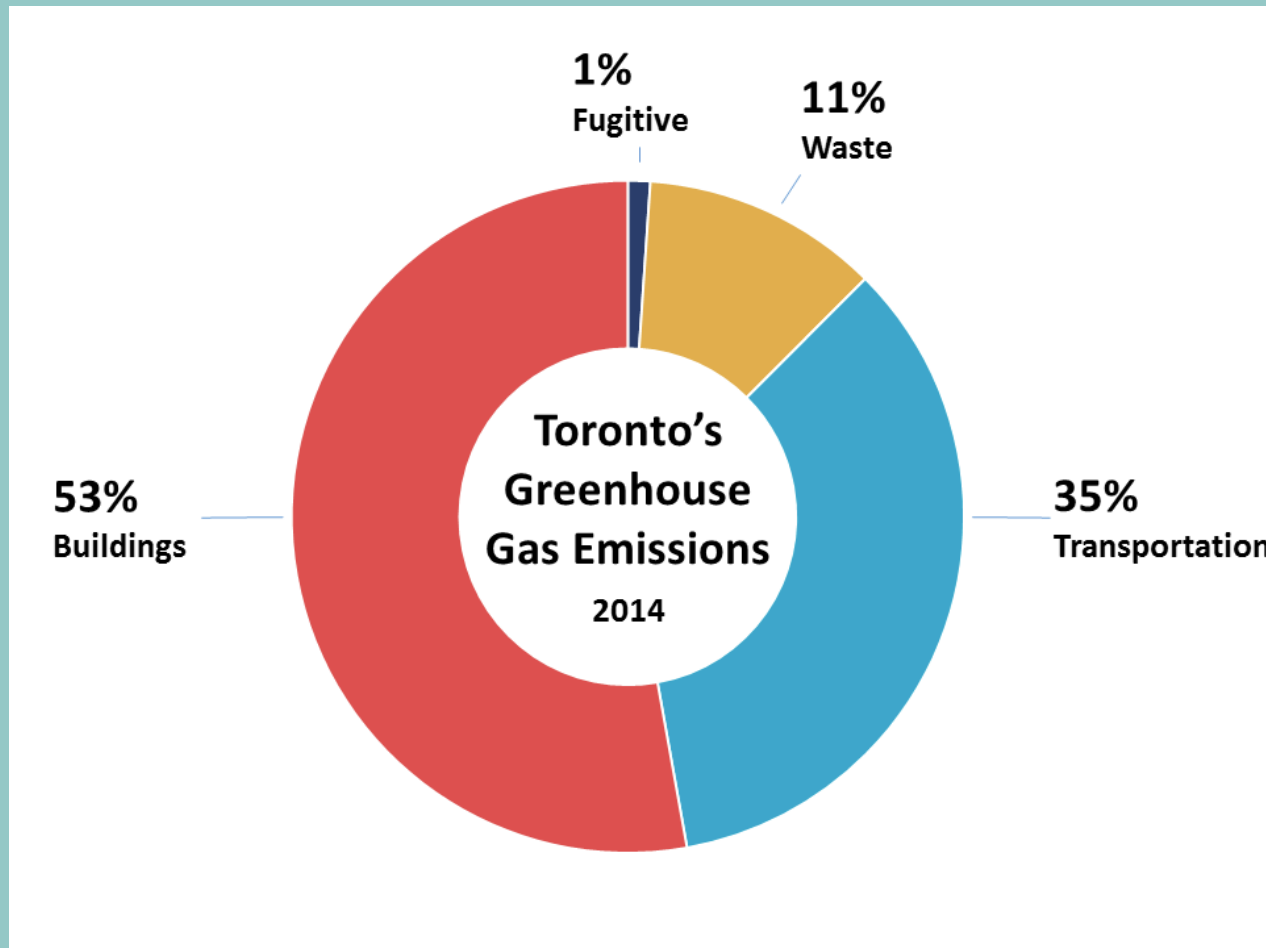

TransformTO

Climate action for
a healthy, equitable,
prosperous Toronto.

Who needs to be involved in creating a low-carbon future?

Project Outline

- Phase 1: Research best practices
- Phase 2: Test best practices through pilot projects
- Phase 3: Engage the public and build support for low carbon policies
