

**TA18.4**

# **Regional Cultivation Strategy**

**TAF Board Meeting**

Dec 19<sup>th</sup>, 2017

# INTRODUCTION

## What we learned:

---

- 1.** Full steam ahead on buildings and transportation.
- 2.** A flexible network approach holds promise.
- 3.** Add a focus on capacity building.
- 4.** It's not just grants and loans.

## What we learned:

---

- 5.** Knowledge transfer is key.
- 6.** Make it about the co-benefits.
- 7.** We have some new best friends.

## THREE OVERARCHING RECOMMENDATIONS

- 1.** **Connect** with stakeholders.
- 2.** **Strengthen capacity** in the region.
- 3.** Plant the seeds for a **regional network**.

# CONNECT WITH STAKEHOLDERS

# STRENGTHEN CAPACITY

The Atmospheric Fund

# PLANT THE SEEDS FOR A REGIONAL NETWORK

# PORTFOLIO TO DATE

**The Atmospheric Fund**

### **Enduring principles:**

- Focus on high-impact opportunities
- Demonstration of co-benefits
- Deployment of diverse approaches

### **New focus areas:**

- Enhanced support for capacity building
- Increased emphasis on knowledge transfer
- Service offerings beyond grantmaking
