**SUMMARY**

An "Update Report" was submitted to Toronto and East York Community Council (TEYCC) that detailed, among other matters, the future submission of an Area Profile Report (the Report) for the Danforth Avenue Planning Study. City staff anticipated providing the Report to TEYCC for February 22, 2017. However, some additional work and refinement of the Report is required at this time. As the Report is currently still being completed by City staff it will not be provided to the TEYCC meeting on February 22, 2017.

City staff anticipate the Report will be available on the project website ([www.toronto.ca/danforthstudy](http://www.toronto.ca/danforthstudy)) by February 24, 2017. The Report will also be included with the Danforth Avenue Planning Study's final deliverables when staff present a final report to TEYCC at the conclusion of the study.
