

Road Alteration – Charles Street

Date: March 15, 2017
To: Toronto East York Community Council
From: Director, Public Realm Section, Transportation Services
Wards: Ward 28 - Toronto Centre-Rosedale

SUMMARY

Transportation Services is requesting approval from City Council to modify the section of Charles Street, west of Church Street. The proposed changes are being undertaken incrementally along with adjacent developments that will enhance the safety and operation for all road users. The proposed work will include a widening of the north sidewalk and the installation of curb extensions to reduce pedestrian crossing distances at intersections and to provide space for streetscape enhancements including planting areas, seating and space for street furniture elements.
