Dear Chair and Members,

NEW BUSINESS REQUEST: Implementation of Permit Parking on Non-Licenced Streets in Ward 32

BACKGROUND:

At its meeting of April 26, 2017 City Council approved an exemption for the implementation of permit parking for the streets listed in Attachment 1 of this report, from the requirements of subsection 925-4B of the City of Toronto Municipal Code, Chapter 925, Permit Parking.

Subsection 925-4B provides that:

Where permit parking is not currently available and where a petition requesting permit parking signed by the residents of a minimum of 25% of the total number of residential premises having a residential address on the street or the flank of the street is submitted to the General Manager, a poll shall be conducted in accordance with Chapter 190, Poling and Notification, to determine if the residents wish to have permit parking on their road or area, as the case may be. In the event of a positive polling result, the General Manger shall report such result to the appropriate community council, which community council under delegated authority, shall be authorized to pass any necessary by-laws to implement permit parking on the road or area. In the event of negative result, permit parking shall not be extended to the road or area, and no further permit parking poll shall be conducted for a period of two years.

Currently 90% of the local roads in Ward 32 are designated under the Residential On-street Permit Parking Program. Including the attached list of local roads would increase the pool of parking spaces available to permit holders. It would also provide consistency
with parking regulations on the majority of local roads that are predominately residential in Ward 32.

RECOMMENDATIONS:

1. Toronto and East York Community Council amend Schedule A of the City of Toronto Municipal Code, Chapter 925, Permit Parking, to incorporate the streets noted in Attachment 1.

2. Transportation Services report back to Toronto and East York Community Council on the total number of parking permits issued to residents of the roadways listed on Attachment 1 during the permit term starting on June 1, 2017 and ending on November 30, 2017 along with revenue generated.

Thank you for your consideration.

Sincerely,

Councillor Mary-Margaret McMahon
Ward 32 Beaches-East York
