Dear Chair and Members,

Re: Parking Amendments – Augusta Avenue

Area residents and local business owners have requested amendments to parking regulations on the west side of Augusta Avenue, between Nassau Street and Denison Square, to improve sight lines and safety for pedestrians crossing at the intersection of Augusta Avenue and Baldwin Street.

Prohibiting stopping at all times on the west side of Augusta Avenue, between a point 67.5 metres south of Nassau Street and a point 28.5 metres further south, will deter parking within the intersection and improve safety for crossing pedestrians at the north and south crosswalks.

Transportation Services, Toronto and East York District staff have investigated and have no objections to the proposed amendments.

RECOMMENDATIONS

1. Toronto and East York Community Council prohibit stopping at all times on the west side of Augusta Avenue, between a point 67.5 metres south of Nassau Street and a point 28.5 metres further south.

2. Toronto and East York Community Council rescind the existing parking machine regulation on the west side of Augusta Avenue, between a point 67.5 metres south of Nassau Street and a point 28.5 metres further south, operating from 7:00 a.m. to 9:00 p.m., Monday to Saturday, and 1:00 p.m. to 9:00 p.m., Sunday for a maximum period of three hours at a rate of $2.25 per hour.

Sincerely,

Joe Cressy
