NEW BUSINESS REQUEST: Halo Brewery (247 Wallace Avenue) – By the Glass Limited Licence.

Dear Chair and Members,

I received a request from the owner of Halo Brewery that they require a resolution from the local Municipal Council in order to expand their Manufacturer's Limited Liquor Sales Licence to allow for a "sales by the glass" on the patio space fronting their establishment at 247 Wallace Avenue

RECOMMENDATION:

That the Toronto and East York Community Council recommend that:

1. City Council support Halo Brewery's request to the Alcohol and Gaming Commission of Ontario to expand their Manufacturer's Limited Liquor Sales Licence for sales by the glass to the patio space fronting their establishment at 247 Wallace Avenue, subject to municipal zoning and licencing by-law compliance.

Thank you for consideration.

Sincerely,

Ana Bailão
City Councillor
