Saulter Street Brewery: By the Glass

Dear Chair and Members of the Toronto and East York Community Council

The Saulter Street Brewery, opening soon in Riverside, will be an exciting new addition to the growing microbrewery scene in Ward 30. I ask that you support their application for a 'by the glass' license.

Recommendations:

1. City Council support the application by the Saulter Street Brewery at 21 Saulter Street for a Manufacturer's Limited Sales Licence.

Sincerely,

City Councillor
Ward 30, Toronto Danforth
