Dear Chair and Members,

NEW BUSINESS REQUEST: Parking Amendments for MaCaulay Avenue

SUMMARY:

Parking is permitted on both sides of MaCaulay Avenue during the alternate side parking switchover days, which take place on the 1st and 15th of every month, between April and November. In addition to this, multiple vehicles displaying accessible parking permits often park on both sides of the street. These vehicles park on the 'no parking' side of the street, as they are exempt from this parking rule. The concern on MaCaulay Avenue is that when cars park on both sides of the street due to either, or both of the reasons stated above, solid waste collection vehicles have difficulty accessing the waste storage area at the new townhouse development located on the west end of the street. This is due to the trucks not having a wide enough turn into the development driveway due to cars parked on both sides of the street.

The parking regulation changes that are being proposed in this motion seek to create a condition where parking will only be permitted on the north side of MaCaulay Avenue. In addition, there will be a 'no standing' zone on both sides of the development driveway. Together these measures will ensure that vehicles do not park on both sides of MaCaulay Avenue adjacent to the development driveway.

RECOMMENDATIONS:

It is recommended that:

1. Toronto and East York Community Council rescind the existing parking prohibition in effect from Monday to Friday, the 16th day of each month to the last day of each month from April 1st to November 30th, inclusive, on the north side of MaCaulay Avenue, between Perth Avenue and the west end of MaCaulay Avenue.

2. Toronto and East York Community Council rescind the existing parking prohibition in effect from Monday to Friday from December 1st of one year to March 31st of the next following year, inclusive, on the south side of MaCaulay Avenue, between Perth Avenue and the west end of MaCaulay Avenue.
3. Toronto and East York Community Council amend the existing parking prohibition in effect from Monday to Friday, the 1st day of each month to the 15th day of each month from April 1st to November 30th, inclusive, on the south side of MaCaulay Avenue, between Perth Avenue and the west end of MaCaulay Avenue, to be in effect at all times, between Perth Avenue and a point 138.7 metres west; and between a point 174.2 metres west of Perth Avenue and the west end of MaCaulay Avenue.

4. Toronto and East York Community Council prohibit standing at all times on the south side of MaCaulay Avenue, between a point 138.7 metres west of Perth Avenue and a point 35.5 metres further west.

6. Toronto and East York Community Council rescind the existing permit parking regulation in effect from 12:01 a.m. to 7:00 a.m. from the 16th day of each month to the last day of each month from April 1 to November 30, inclusive, on the odd/south side of MaCaulay Avenue, between Perth Avenue and the west end of MaCaulay Avenue.
