Speed Limit on Jack Layton Way

Dear Chair and Members of the Toronto and East York Community Council

Recently it has been brought to my attention that Jack Layton Way was missed during the district wide speed limit reduction in 2015. Due to its status as a newly created road it was not captured. It will be officially classified in early 2018.

However in the meantime the speed limit should not remain at 50 km/hr. I am requesting your support to lower the speed limit to match the current standard for Toronto and East York.

Recommendations:

1. Toronto and East York Community Council reduce the speed limit from 50 km/h to 30 km/h on Jack Layton Way, between St. Matthews Road and Broadview Avenue.

Sincerely,

Paula Fletcher
