SUMMARY

Transportation Services is requesting approval from City Council to prohibit the General Manager from accepting applications from residents of, visitors to, and tradespersons at the development properties municipally known as 101, 111 and 129 St Clair Avenue West as of September 28, 2017 for a permit parking permit on Foxbar Road. Foxbar Road is listed in Schedule A to Toronto Municipal Code Chapter 925, Permit Parking, as a street on which permit parking is available.

Transportation Services has assessed the realignment of permit parking on Foxbar Road to exclude the development properties located at 101, 111 and 129 St Clair Avenue West as requested by Toronto and East York Community Council, Item TE26.140, on September 6, 2017. Transportation Services is recommending approval of the exclusion as it will not impact negatively on Foxbar Road residents.

RECOMMENDATIONS

The Manager, Transportation Services, Right of Way Management, Toronto and East York District recommends that:

1. City Council amend Section 925-4 of Toronto Municipal Code Chapter 925, Permit Parking, by adding the following subsection:

C.2 Despite anything in this chapter to the contrary, the General Manager shall not accept applications from residents of, visitors to or tradespersons at the development properties municipally known as 101, 111 and 129 St. Clair Avenue West as of September 28, 2017, for a permit on Foxbar Road.

FINANCIAL IMPACT

There is no financial impact associated with this report.

DECISION HISTORY

At its meeting September 6, 2017 Toronto and East York Community Council in considering item TE26.140, requested Transportation Services to examine and report back to Toronto and East York Community Council regarding the realignment of permit parking on Foxbar Road and the exclusion of the development addresses of 101,111 and 129 St Clair Avenue West.

COMMENTS

Foxbar Road is between St Clair Avenue West and Avenue Road. The street has 47 on-street parking spaces. To date, 21 residential permits have been issued. This street does not have a history of being waitlisted, meaning the demand for overnight on-street parking permits has never exceeded the supply of parking spaces. There is no TTC service on Foxbar Road. Councillor Matlow and Foxbar Road residents support this action as a means of ensuring that this new development does not negatively impact the permit parking supply on Foxbar Road.

A Public Notice was placed on the City's website requesting those objecting to the exclusion of 101, 111 and 129 St Clair Avenue West, from permit parking on Foxbar Road to forward their objections in writing to the City Clerk, so they may be scheduled as deputations at the Toronto and East York Community Council meeting.

Transportation Services has no objections to the exclusion of 101, 111 and 129 St Clair Avenue West from permit parking on Foxbar Road, such that applications for a permit on Foxbar Road from residents of, visitors to or tradespersons at these addresses shall not be accepted.
