**SUMMARY**

This staff report concerns a matter for which the Toronto and East York Community Council has delegated authority from City Council to make a final decision.

The purpose of this report is to advise Council concerning an application by the property owner of 6 Rose Park Crescent for a site-specific Fence Exemption, pursuant to Section 447-2B(1) of Toronto Municipal Code, Chapter 447- Fences. The property owner is seeking Council's permission to maintain a fence which does not comply with maximum fence height restrictions stipulated by Section 447-2 of the bylaw.

**RECOMMENDATIONS**

Municipal Licensing & Standards recommends that the Toronto and East York Community Council:

1. Grant the application for a fence exemption permit, without conditions, thereby allowing the fence to be maintained as constructed. Direct and require that the installation be maintained in good repair without alteration. At such time as replacement of the fence is required that such installation will comply with Municipal Code Chapter 447, or its successor by-law.

OR
2. Refuse to grant the application for an exemption permit, by the property owner of 6 Rose Park Crescent for a fence that fails to comply with the provisions of Toronto Municipal Code, Chapter 447, Fences and direct that a second un-appealable Notice of Violation be issued under City of Toronto Municipal Code, Chapter 447 - Fences.

ISSUE BACKGROUND

The subject property, 6 Rose Park Crescent is located in Ward 27. It is composed of a residential building and lands.

The property owner submitted a fence exemption application, in writing, on July 17, 2017 for proposed fence in the front yard, in accordance with Section 447-2B(1) of Toronto Municipal Code, Chapter 447- Fences, listing "privacy" as the reason for the application.

As required by Section 447-2B(1), Municipal Licensing & Standards has responded to the fence exemption application by preparing this report for Toronto and East York Community Council's consideration, and, the City Clerk has sent all requisite notifications of the date that Toronto and East York Community Council will consider the application.

Municipal Licensing & Standards' investigated the existing fence installation and has determined that it does not comply with the maximum height restrictions for residential fences provided by Section 447-2 of Toronto Municipal Code, Chapter 447- Fences, as detailed in the following chart:
