SUMMARY

This staff report concerns a matter for which the Toronto and East York Community Council has delegated authority from City Council to make a final decision.

The purpose of this report is to advise Council concerning an application by the property owner of 245 Eastwood Rd for a site-specific Fence Exemption, pursuant to Section 447-5.C of Toronto Municipal Code, Chapter 447- Fences. The property owner is seeking Council's permission to allow for the existing fence, which does not comply with maximum fence height restrictions stipulated by Section 447-2 of the bylaw.

The fence is installed on the south property line in the rear yard on the deck between 79 and 77 Seymour Ave. The height of the fence is 2.43 m (approx 8 feet) high and 2.57 m (8 feet 5 inches) wide. The material of the fence is wood.

The application is based on a complaint that was received and investigated by Municipal Licensing and Standards.
RECOMMENDATIONS

Municipal Licensing & Standards recommends that the Toronto and East York Community Council:

1. Refuse to grant the application for an exemption permit, by the property owner of 79 Seymour Ave, for a fence that fails to comply with the provisions of Toronto Municipal Code, Chapter 447, Fences and to issue a second notice to the property owner to bring the fence into compliance.

OR

2. Grant the application for a fence exemption permit, without conditions, thereby allowing the fence to be maintained as constructed. Direct and require that the installation be maintained in good repair without alteration. At such time as replacement of the fence is required that such installation will comply with Municipal Code Chapter 447, or its successor by-law.

FINANCIAL IMPACT

There is no anticipated Financial Impact from this report.

DECISION HISTORY

The property owner submitted a fence exemption application, in writing, on August 23, 2017, in regards to an existing installed fence, in accordance with Section 447-5(C) of Toronto Municipal Code, Chapter 447- Fences, listing privacy, safety and security as the reasons for the application.

As required by Section 447-5(C), Municipal Licensing & Standards has responded to the fence exemption application by preparing this report for Toronto and East York Community Council's consideration, and, the City Clerk has sent all requisite notifications of the date that Toronto and East York Community Council will consider the application.
