Dear Chair and Members,

Re: 400 King Street West – Community Consultation Meeting

A re-zoning application has been submitted for 400 King Street West that proposes to redevelop the site as 47-storey mixed-use building with 3,437 m² of retail space on the first two levels and 530 residential units above.

It is desirable for a community consultation meeting to be held in advance of receiving a Preliminary Report so that local residents can give their comments and feedback to the applicant without unnecessary delay.

Recommendation

Toronto and East York Community Council direct that:

1. Staff schedule a community consultation meeting together with the Ward Councillor for the lands at 400 King Street West, which includes the provision of light refreshments and, when required, childcare and accessibility resources including sign language interpretation at the sole cost of the applicant.
2. Notice for the community consultation meeting be given to landowners and residents within 120 metres of the site, and to additional residents, institutions, and owners to be determined in consultation with the Ward Councillor, with any additional mailing costs to be borne by the applicant.

Sincerely,

Joe Cressy
City Councillor
Ward 20, Trinity-Spadina
