

Realignment of Permit Parking Area 5E to exclude the address of 250 Davenport Road

Date: December 15, 2016
To: Toronto and East York Community Council
From: Manager, Transportation Services, Right of Way Management,
Toronto and East York District
Wards: Ward 20

SUMMARY

Transportation Services is requesting approval from City Council to amend the boundary of permit parking area 5E.

Transportation Services has assessed the realignment of permit parking area 5E to exclude the property located at 250 Davenport Road as requested by Toronto and East York Community Council on January 17, 2017. Transportation Services are recommending approval of the realignment as it will not impact negatively on the permit parking area.

RECOMMENDATIONS

The Manager, Right of Way Management, Transportation Services, Toronto and East York District recommends that City Council

1. approve the amendment to Schedule B of the City of Toronto Municipal Code, Chapter 925, Permit Parking, to incorporate a revised map of permit parking area "5E", as attached in Appendix A of the report (January 17, 2017) from the Manager, Right of Way Management, Transportation Services, Toronto and East York District.

FINANCIAL IMPACT

There is no financial impact associated with this report.

DECISION HISTORY

At its meeting October 13, 2016 Toronto and East York Community Council in considering item TE19.2, requested Transportation Services to examine and report back to Toronto and East York Community Council regarding the realignment of permit parking area 5E and the exclusion of the subject site at 250 Davenport Road.

COMMENTS

Permit Parking area 5E is bounded on the west by St George Street, by Dupont Street and Ramsden Park Trail to the north, Yonge Street to the east and by Bloor Street West on the south. Area 5E has 525 on-street parking spaces. To date, 520 permits have been issued. This area does not have a history of being waitlisted meaning the demand for overnight on-street parking permits has never exceeded the supply of parking spaces. There is TTC service on Davenport Road. Councillor Cressy and residents neighbouring 250 Davenport Road support this action as a means of ensuring that this new development does not negatively impact the permit parking supply to the existing neighbourhood.

Transportation Services has no objections to the exclusion of 250 Davenport Road from permit parking area 5E.
