Dear Ms. McMahon

On behalf of the Beaches Festival Committee we would like to kindly request that you put forward a motion to the Downtown Community Council at the next meeting to have the Beaches Festivals declared events of municipal significance. The Festivals for 2017 include:

- Beaches Canada Day Festival at Woodbine Park July 1st 12pm – 11pm
- Afrofest at Woodbine Park July 8–9 12pm – 11pm
- Beaches Jazz Latin Carnival July 14–16 12pm – 11pm
- Beaches Jazz Festival at Woodbine Park July 21–30 12pm – 11pm daily

These festivals are signature events for Toronto and ones that have positive economic impact on the Beach community. The music festivals are a celebration of the beaches culture and entertainment.

Yours truly,

Lido Chilelli
