

HIGH PARK CLUB LIMITED

March 29, 2017

To Whom It May Concern,

I am writing to request a letter of non-objection to a temporary licenced area extension at the High Park Club.

On April 27, 28, and 29, 2017 Members of the High Park Club will be hosting an end of year curling bonspiel. As part of this bonspiel we have invited teams from other curling clubs to participate and celebrate the end of the curling season at the High Park Club at 100 Indian Rd., Toronto, ON.

For our event, we would like to use the outdoor tennis courts and the curling ice shed for a social setting including cottage games, music, and alcohol service. We have applied to the AGCO for a Temporary Extension to our Liquor Sales Licence and wanted to share the following information with your department.

The tennis courts are a fenced in area of 900m² with multiple exits to our parking lots on both the North and South side of the property. The ice shed has an area of 125m² and has signed exits on the West, East, and South walls. Our estimated attendance per day that we are running the event is 150 people not including the club staff. Our bar staff all have Smart Serve, there will be at minimum 2 people on site with First Aid training, and we will have at minimum 1 person on site with Advanced Food Safety certification during the event.

We are also aware of the local noise by-laws and requirements and will have persons in charge that will monitor, maintain, and assist in keeping the levels of noise appropriate to the event and the neighbourhood.

If you have any further concerns or wish more information, please reach out to me by email at morris.w.patrick@gmail.com or by phone at 416-768-4548.

Patrick Morris
Director
High Park Club
